New Site . . .

Mellowed with age, the spirit had gone. His coat was all mothly, and both ears were once missing. For a revived and vital life that was strong, he stood by the wayside, wishfully thinking.

Out went the old and familiar ways; in came the new. Things were then moving, pushing him out. He dreamed of the hallways of yore and remained steadfast, yet tired, no doubt.

Why was HE to be left behind? He questioningly sighed. Forgotten al-

though part of the school. Old friends we forget, and even the old school is gone. Although it seemed so, it wasn't meant to be that cruel.

Pushing onward with vigor and spirit, a new PEPPER has and will lead to victory our teams. The "old" stepped out with the respect that was due, though his heart was sad, in his eye — a gleam.

I AM NOT FORGOTTEN! HE CARRIES MY NAME . . . **PEPPER!**

'Mr. OHS'

Mr. Don H. Bunt

GO MR. DON H. BUNT the staff dedicates the 1961 Olympiad.

Your long line of achievements started with your receiving a B.S. degree at Northern State Teacher's College in South Dakota. Later you obtained your Masters degree at the University of South Dakota.

Knowledge you acquired in administration during the 12 years before coming to Olympia in 1954, as boys' counselor at Renton High School and principal at Enumclaw and Sedro-Woolley high schools served you well in helping to steadily advance Olympia High to be one of the best administered schools in Washington.

You have always wholeheartedly supported all our school activities. Because of your help, the Boys Club was able to purchase Pepper III before staging its carnival. You also arranged the transportation for Pepper to travel to the district basketball playoffs where he urged our team on to victory and the state tournament.

The beginning of 1961 saw classes and business going on as usual in our new William Winlock Miller High School at the North Street location. Accomplishing this vast moving job, which was completed in such a short time, took long hours of hard work and a skill and know-how possessed by you alone. We all have many memories we left at Twelfth and Capitol Way, but we have brought many pleasant

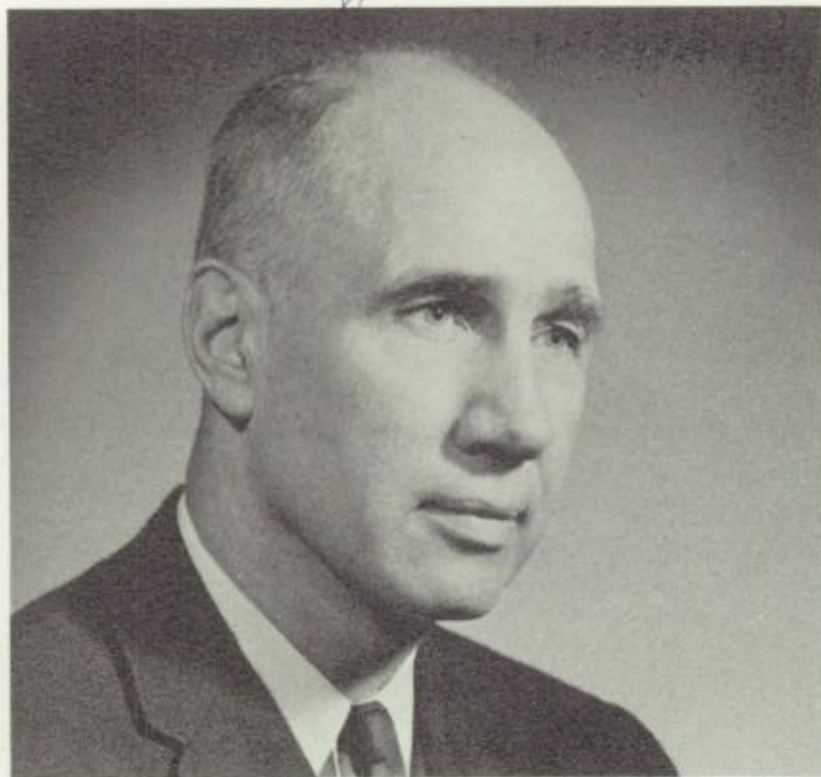

ones with us to our new home. You have helped us to keep our pleasant memories and to leave our unpleasant ones behind.

We are sure your daughters—Murielle, Ruth, and Donna—are proud to call you Dad. Similarly, we are proud to call you our principal. To the class of 1961, as we assemble for the first graduation ceremony in our beautiful new school, you will always remain "Mr. OHS". May the future years bring to you the added success, happiness, and good health you so justly deserve.

Mr. Don H. Bunt, the 1961 Olympiad salutes you.

Big Daddy Bunt!

ADMINISTRATORS DIRECT

Don H. Bunt
Principal

"This school year is one of the most significant in the history of Olympia. A fine old school was razed, but in a beautiful new school the name, spirit, and traditions are being carried on.

"For many, leaving the old school was difficult, possibly even sad. The vast majority, however, rejoice at the splendid new facilities. We all have a responsibility to take as much of the old with us as possible.

"There is no question in my mind that with our new school all of us, faculty and students, will rededicate ourselves to the proposition that nothing will ever take the place of a good education and that a high school diploma is an absolute necessity."

"At this point in your life important decisions must be made. These decisions will have a very great influence upon your later life and upon the complex world to which you will soon fall heir. These decisions seem to best be made when one considers fully what he wants from life.

"Strive for excellence and always remember the wise precept of the Greeks, 'Know thyself.'"

"Congratulations and sincere best wishes to you, the graduating class of 1961."

ADVANCEMENT OF KNOWLEDGE

"In our area people are talking about "Century 21." Not more than 60 miles away buildings are going up to provide a glimpse, or at least a hint, of what the twenty-first century will be like.

"Our community, too, has paid its respect to Century 21. The new high school building expresses hopes for a rich, full life in the years beyond 2000 A.D. It proves its faith in the men and women who will manage the affairs of that century.

"If you really want to take a look at the beginning of the third millennium of our Christian Era, the place to search is not in the exhibits of those who try to guess about scientific advance. It is rather in the high schools of America. What are the students like? Are they serious-minded and purposeful? Do they appreciate the heritage of the past and desire to add something good to it? Do they know right from wrong and place right above expediency? Century 21 will be as good or as bad as they choose to make it."

"The pride of the Olympia community in its second William Winlock Miller High School represents the culmination of effort by the people who realize that a comprehensive course of study needs special equipment, adequate housing, and enthusiastic teachers. Present day Olympians have bonded our district to the legal limit to pay for school construction.

"To me, this means that the faith and hopes of the taxpaying public (your parents) for the continued success of our way of life is being placed in the hands of those in our community who are benefiting from knowledge and skills gained through attendance at this fine school."

TEACHERS PREPARE

ENGLISH: "The ability to express oneself in his own tongue is so important because it gives us more enjoyment of what we read and the ability to understand it better," pointed out Mrs. Carle LaBell, a new English teacher here. The courses offered at Olympia are: composition, literature, argumentation, journalism, creative drama, and public speaking.

OFFICE: Thanks to the capable staff we have working in the office the business end of the high school runs along smoothly. Every period there are two girls in the office to help answer the phone, deliver messages, and check attendance.

FOREIGN LANGUAGE: George Riffero, a teacher of foreign language, summed up his feelings about taking a foreign language course in this way, "Due to the world situation all Americans should be informed of the language of other people, this helps us to understand these people and brings us closer to obtaining world peace." This year Russian has been added to the curricula and will be continued if enough students show an interest in it.

STUDENTS FOR FUTURE

SCIENCE: "Physics is probably the fastest growing of any of the sciences mainly because it offers the best opportunities," remarked Wilbur Keller, physics teacher. Now more than ever, the world is clamoring for more and better scientists, and to meet this demand there is a definite need for more and better teachers and more students with an active interest in science.

COMMERCIAL: All of us at one time or another will be faced with the task of filling out our income tax, keeping a budget, or even writing a check. This is where any one of the commercial courses offered here will be very beneficial to you. Agnes Bushnell, the head of the commercial department, explained, "These courses are definitely vocational, and they give the student a feeling of self sufficiency."

MUSIC: The music department at Olympia has always performed outstandingly at all of its exhibitions, which is due to the fine instructors and the dedicated work of the students. The courses offered are: band, girls glee, mixed chorus and orchestra.

FACULTY GUIDES

MATHEMATICS: Math is necessary in any field of work, according to Robert Summers, mathematics teacher. He also feels that this course prepares the student to meet the problems of the future more maturely. The courses offered are: general math, algebra, geometry, trigonometry, and senior math.

INDUSTRIAL ARTS: Lawrence Pinson, industrial arts department head, feels that every boy should know how to handle tools. This knowledge will prove invaluable whether it is used as a hobby or possibly applied to a future profession.

COUNSELING: Olympia High's guidance program is composed of two types of activities (1) Individual Counseling and (2) Group Guidance. The principal concern of counselors and teachers is and should be with the welfare of the student. This job of counseling seems like a very trying one which requires a great deal of patience and understanding. When these counselors have to double as teachers, it makes their job just that much more difficult. Students at Olympia should be grateful for the capable staff of counselors.

STUDENTS TO KNOWLEDGE

SOCIAL SCIENCE: "All students should have a knowledge of the social, economic, and political history of their country, and of how and why these changes came about. Knowledge is not sufficient however, as members of the American society, students must make decisions which will affect not only their lives but the lives of others as well. Such decisions must be made from knowledge, reason, and the action of earlier Americans. I have a deep conviction that United States history is one of the most important courses offered in our schools today." These were the feelings expressed by Miss Marjorie Heron, one of the social studies instructors.

PHYSICAL EDUCATION: The physical education class is an excellent place for the student to curb some of his pent-up emotions, according to Woody Davis, physical education teacher. Two semesters of physical education and one semester of health is required of every freshman and sophomore.

At top, boys practice physical fitness. Above, Mrs. Mary Kast takes students around the world.

Dramatists Bring

"You Can't Take It With You", a three-act farce by Kaufmann and Hart under the direction of Mrs. Ian Christopher, was presented by the All-High cast, October 27 and 28.

Centered about the topsy-turvy Sycamore household, both settings and costumes were reminiscent of the pre-World War II era. Highlights included, Bruce Beeken (Mr. DePinna) posing for paintings in a Roman toga. Sue Gately added mirth with her word-association game, while Paul Sycamore (Bill Hansen) collected fireworks which proved an **explosive** hobby. Becky Kenworthy and Ross Whited created never-to-be-forgotten love scenes, and Barry "Grandpa Vanderhoff" Hawkins shuffled about giving advice to those who would listen. Also providing rib-tickling entertainment were: Tanya Porter, Bonnie Branch, Tim Bigelow, Skip Knox, John Kendersi, Nancy Skinner, Tom Galbraith and Donna Hays.

Jealous and vicious, a young woman uses blackmail and her father's influence to implicate two innocent classmates in Richard Nash's play "The Young and Fair" directed by Richard Meigs.

Members of the cast included: Gloria Garrett, Marion Oliver, Jill Esser, LaRae Martin, Jean Hart, Suzi Bolster, Dee Anna Harvey and Jenijoy LaBell. Other players were: Judy Nelson, Janice Johnson, Eleanor Matthews, Carol Lemons, Mary Landay, Marion Vaughn, Lynn Ridgley, Tess Wagner, Carol Rae Barber, Connie Kuhn, Maria Andresen, and Patti Kelly.

Musicians Receive Superior Ratings

Under the direction of Fred Schlichting, the OHS orchestra was composed of 24 members this year. The orchestra participated in the Southwest Washington Music Meet held on March 25. For their outstanding performances at the meet, Mary Ann Fletcher and Sharon Sherack received **superior** ratings and Cynthia Hagan received an **excellent** rating.

In April the complete orchestra competed in the Southwest Washington Music Contest. The group gave outstanding performances at the Christmas Concert and the Spring Concert. In the course of the year the orchestra played for civic organizations. During the Christmas holidays the musicians played Christmas carols at the Seattle First National Bank.

The main performance of the band this year was the annual Pop Concert. Directed by David Goedecke, the band also took part in the Spring and Christmas Concerts. The group attended the Southwest Washington Music Contest on April 17. Managers of the band were: senior manager, Larry Kent; junior manager, Larry Keller; secretary, Heidi Strommer; drum major, Larry Schmidtke; head majorette, Donna Cordiner. The band sold decals and candy to earn money for various trips taken this year. One of these jaunts was to McNeil Island, where the musicians played for the inmates.

The band ensemble is composed of two bands: the clarinet choir, and the wood wind quintet. These musicians are directed by David Goedecke. This year the band went to the Southwest Washington Music Meet held on March 25. The clarinet choir rated a one and played in the evening program with the mixed chorus. The wood wind quintet rated a two for their efforts at the meet.

"Dedicated effort and service by outstanding musicians have left a mark at which future OHS

musicians may well aim," remarked Leslie Armstrong, director of the mixed chorus. This year the group had 63 members. For the twenty-sixth consecutive time the Olympia High chorus received a superior rating at the music meet. Chorus officers for the year were: Linda Jayne, president; and Sue Delanty, secretary-treasurer. Besides participating in the contest, the chorus also sang at the Christmas and Spring Concerts, and at Madigan Hospital.

Olympia defeated Friday evening when they downed the Bears 27-13 on Stevens Field. The Bears played almost from the back and fouled up in the first quarter, the Bears never touched down in the first quarter.

The Oilers' forwards opened a large gap in the Rams' line and attributed it to the outplay of the game.

On the ground over the past weekend, Washington's Huskies made it to the top for the second time in as many years after they downed the Bears 27-7. The 1961 Rose Bowl game will be the first time in 27 years that the Bears have won a game.

Both teams had the Bears' second straight win in the Capital League.

The Bears would like to see each team on their success in the Capital League.

The Oilers' staff has, of late, been choosing the top six players for the past season. Under the Oilers, Mike Tiernan, Wade Mounts, Jack Panowicz, Pete Armstrong, Terry Aukerman, Tom Bert, and John Barney were well known to become one of the Bruins.

However, after the Bears fought back that game, found our link was going to be harder than thought, fact, it was almost impossible.

getting top Bruins, we decided, is as follows: (1) Jim Armstrong, (2) Mike Tiernan, (3) Tom Rawlings, (4) Wade Mounts, (5) Rick Panowicz, (6) Pete Armstrong, (7) Jack Panowicz, (8) Tom Bert, (9) Terry Aukerman and (10) John Barney.

BEARS ARE FIRST AGAIN

After a slow start against Fort Vancouver in the opening game of the season, resulting in a win, the Bears held heavily favored West Bremerton to a 7 to 7 draw. This game was the deciding factor in the tie for the league championship.

The Bears began to roll with decisive victories over Longview, Wilson, and Lincoln. Squeezing by Stadium, Olympia trounced East Bremerton, and beat Aberdeen, traditional rival, in a hard fought game capped by a fine second half come back. This climaxed a season of seven wins marred only by the tie with West Bremerton.

Leading the Bears to their second straight Capital League championship was their fine coach, Jack Swarhout, who coached Olympia to its first undefeated season since 1953 and the fourth in the school's history. It was the first undefeated team for Coach Swarhout, who was assisted by George Morris, line coach; Hank Melusky and Ed Stevens, Cub coaches.

Lacking enough material with experience to be a top contender at the beginning of the season, the Bears went on to rank fifth in the mythical state poll. Four members of the squad, Mike Tiernan (captain), Terry Aukerman, Wade Mounts, and Tom Rawlings, were selected on the first team of the Capital League All Conference team. Jim Armstrong

and Tom Chapman received honorable mention. Tom Rawlings received the Inspirational Award.

Next year the Bears will move to the Southwest Washington Conference, led by Rick Panowicz (captain), and 20 returning lettermen to make a bid for a third straight championship for the Bears.

Finishing first in the Southwest Washington Conference with a record of 13 wins and 0 losses was the Olympia basketball team. From the start the Bears looked good, winning eight straight before losing to Wilson by one point. The team won its 12 remaining games to win a berth in the State Tournament at Seattle.

In the State Tournament, however, the Bears ran into two hot shooting teams, Ballard and North Thurston, to be knocked out of contention for the state crown. Olympia placed two men, Bob Andrew and Pete Leach, on the Southwest Washington all-conference first team, while Jim Dixon was placed on the second team and Jim Wilson received honorable mention. Jim Wilson won the Inspirational Award.

Next year the Bears should again be a leading contender for their third straight title, although

they lose eight lettermen through graduation: Jim Dixon, Ken Fiser, Jim Wilson, Jerry Kay, Doug Woodside, Corey Normoyle, Rob Hall, and Larry Kent. The S.W.W. scoring champion Pete Leach, Bob Andrew, John Barney and Andy Kranz will be back to form next year's team.

Beginning the year with a get-acquainted party was the Girls Athletic Association. The group's most important activity was held in cooperation with Washington Junior High when the two schools co-hosted the annual Southwest Washington Playday. The theme for this event was taken from "The Flintstones" and was called "Pages from the Stone Ages."

G.A.A. participated in a bowling tournament which Val Yoakum and Jo Ann Thompson won. The Badminton Tournament winners were Pat Mickelson and Kathi Pritchard.

Leading G.A.A. this year were Pat Mickelson, president; Avis Watson, vice-president; Sharon Keller, secretary-treasurer; Candy Hansen, historian.

Compiling a record of 15 wins and 5 losses was the jayvee basketball squad under the coaching of Murry Coleman. Several players gave good indications of what to expect in the varsity.

Finishing the season with a record of 8 wins, 5 losses, and 1 tie was the Olympia swimming team. This placed the swimmers third in the Southwest Washington League behind Hudson's Bay and Aberdeen. The Bears also competed in the Invitational Meet at the University of Washington where Jim Moore placed second in diving and Mike May finished fifth in the 100-yard free-style.

Five lettermen will be leaving this year. They are Ed Isaacson, Chuck Sten, Kurt Heidergott, Paul Schneider, and Jim Moore. Returning lettermen will be Art Weeks, Mike May, Ralph Velie, Wayne Szolas, Craig Shanafelt, Emmett Eldred, and Dave Devine.

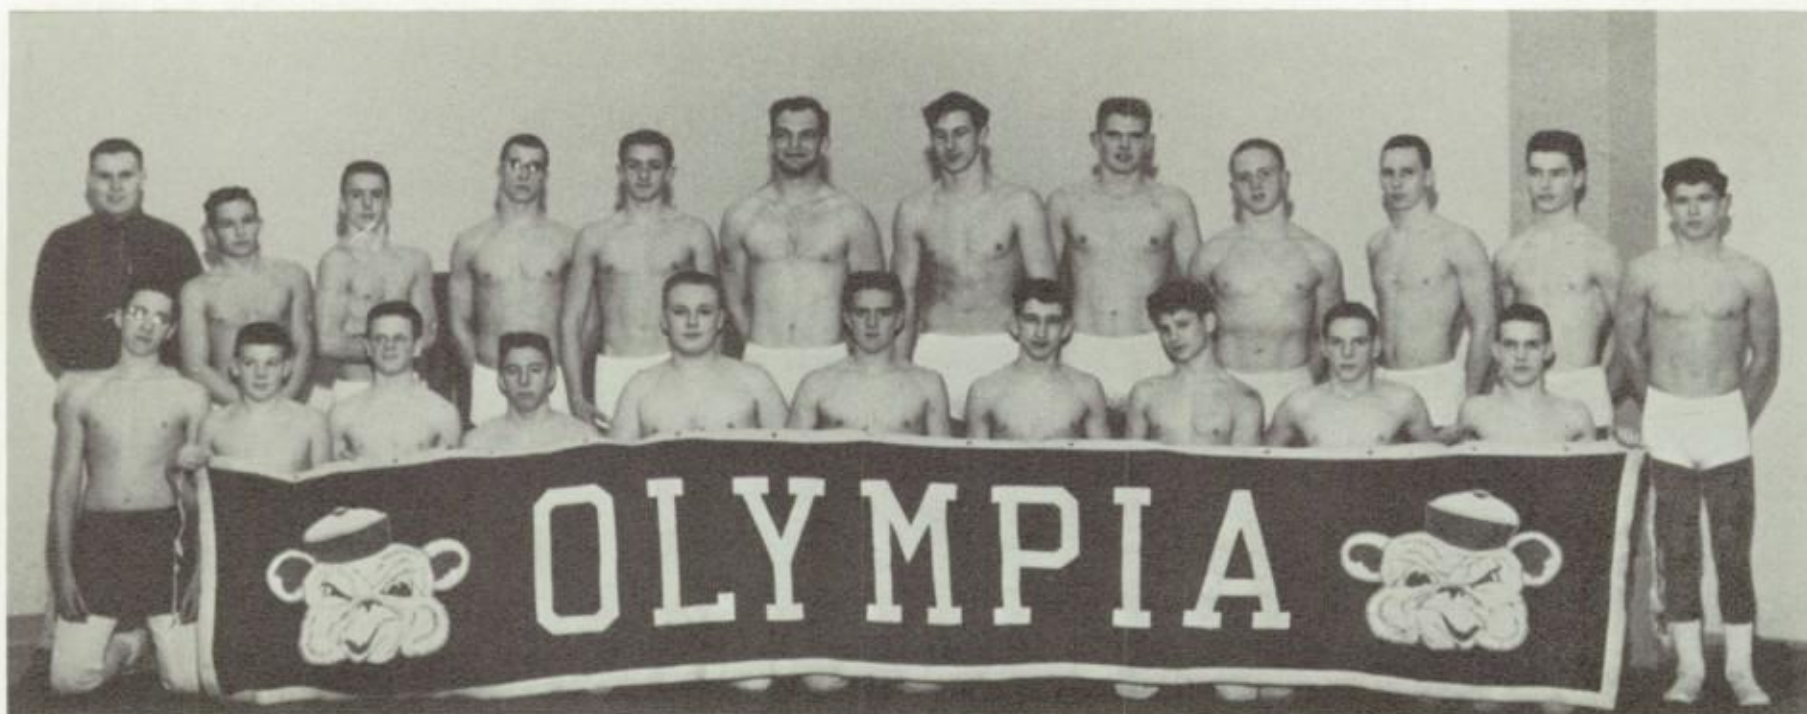

The Bears compiled victories over Mark Morris (twice), R. A. Long (twice), Ft. Vancouver (twice), West Bremerton, Wilson, Lincoln, and tied Hudson's Bay. The tankmen were coached this year by Woody Davis, who is a graduate of WSC, where he was a standout as a diver and gymnast. Ed Isaacson won the inspirational award.

Matmen Show Promise

The Olympia wrestling team capped another winning season this year by taking a third place in the Southwest Washington District Meet.

Not competing in any one particular league, the Bears finished the season with a record of 10 wins, 5 losses, and 1 draw under Coach Ed Stevens. Four Bruins won the right to compete in the State Meet at Pullman.

Earning honors this year were Jack Rikken, first place in district for the second consecutive time and fourth in the state meet; Bucky Pittman, first place in district; Brian Kessler, second place in district; Butch Hepfer, second place in district; and Mark Lundberg, third place in district. Jack Rikken won the Inspirational Award.

Wins were posted by the matmen over the following teams: Centralia, Shelton, Chehalis, North Thurston (twice), West Bremerton, East Bremerton, Longview, Lincoln, and Kelso. With 10 returning lettermen, the Bears should next year, again boast of a winning season.

Forming the nucleus of this year's golf team are four lettermen: Wayne Ekstedt, Jim Harper, Eric Gooding, and Bill Patterson.

In the first match against East Bremerton, which the Bears won 13-2, the squad showed good promise. Competition is keen among the sophomores and juniors.

Those vying for the varsity squad besides the lettermen are: Ray Baker, Randy Nowlan, Bob Ward, seniors; Bob Barton, Martin Pietz, Dick Meigs, juniors; Larry Brooke, Don Sampson, Larry Harper, Steve Wall, sophomores; and Pete Anderson, Geoff Matson, freshmen.

Showing promise in the early drills were Pete Haskins, Rob Hall, Sandy Holien, Larry Carlson, and Loren McElvain. Marty Goldman, Don Ingersoll, Tom Skillings, Bill VanRuff, Bill Block, Dave Danell, and Charley White are also challenging for varsity berths.

Girls Win Matches

Although they will be a strong contender this year, the girls' tennis squad will be weaker than that of last year. Past teams have won 54 straight matches and have won or tied for 9 straight Southwest Washington championships. The girls will be out this spring to repeat their last year's district championship performance.

Coached by Mrs. Gwen Williams, the team has four letter winners from last year's squad. They are: Carol Smith, Linda Thomas, Avis Watson, and Deanna Davis. The girl netters will compete on an independent basis this year.

Other girls who are vying for positions on the varsity this year are: Judy Wilcox, Karen Wiseman, Donna Bunt, Claudia Hartley, Diane Albrow, Judy Bushell, Joyce Hazelrigg, and Jeannine Rogel.

Hopefuls Are Training

Prior to their first game of the season, the Bears' baseball team looks as if it should prove to be a top contender for league honors. Having nine lettermen back combined with the improved sophomores and juniors should make the team a strong threat under Coach Murry Coleman.

Lettermen include: Tom Bert (captain) - catcher, Ed Davis - first base, Terry Aukerman - pitcher, John Barney - infield, Paul Main - outfield, Tom Chapman - pitcher, Dick Jones - outfield, Bill McWilliams - outfield, and Warren Levenhagen - infield.

Other hopefuls for varsity berths are: Leon Benek, Bob Herness, Mark Amans, Carl Baker, Jeff Burns, Bill Cahill, Bill Curtis, Dave Farringer, Jim Fitzgerald, Tim Frederick, Bill Gruver, Dennis Hadley, Grant Hansen, John Arko, Jim Hedges, Jim Ishihara, Jerry Lenzi, J. V. Lyman, Rick Olsen, Wayne Olsen, Doug Paulsrude, Bill Peters, Vernon Richards, Gregg Tinker, Bill Ziesmer, and Jerry Johnson.

Cindermen Develop

"Our strength this year lies in the sophomores," says Jack Graham, Olympia track coach. The thinclads, although hit hard by graduation, have eight returning lettermen: Marvin Anderson—880, Chuck Sten—mile, Erik Sten—mile, Dave Haynes—mile, Jim Armstrong—hurdles, Bob Maguire—high jump, Wink Dillaway—pole vault, and Roger Ishihara—mile relay.

If the sophomores can come through in the sprints and in the weights under Coach George Morris, the cindermen's team should be a rugged contender in the strong Southwest Conference.

Promising non-letter winners who should contribute well to the Bears' performances are: Dick Scriven—sprints, Mike Tiernan—sprints, Lars Strandberg—middle distances, and John Borst—middle distances.

Now more than ever before students have to apply themselves to their studies if they ever hope to gain entrance to college. Any junior or senior with a G.P.A. of 3.00 is eligible to belong to the club. **FOREIGN LANGUAGE COUNCIL:** The language council has one project a year and that is to plan the language banquet in which all the language classes participate.

Freshman Class Sees End

Mrs. Walbridge
Class Adviser

After the 1960-61 school year, Olympia High will no longer have a freshman class. The more than 90 students who would have been coming from the Tumwater district to help make up the freshman class will, instead, be going to their own high school. On April 15, the class held a car wash; the proceeds were divided between the Tumwater and Olympia high schools.

First social event for the freshmen girls was the Big Sister Party, where all the ninth grade girls had a chance to meet many upper-classmen. In addition each girl was given one big sister to whom she could go during the year with any problems she might have in getting acquainted with the new school.

Election of officers was the main business at

hand when the year started. Robert Payne was chosen president; Marlene Olmstead, vice-president; Sharon Runyon, secretary; and Harold Armstrong, yell king.

The freshmen had their share of students on the honor roll: Cara Lee Swanson, Karen Simonson, Ted Sexauer, Sharon Runyon, Lynn Rosellini, Lawrence Netherton, Bonnie Moats, Linda McClennen, Nicki Johnson, Barbara Johnson, Virginia Hetland, Grant Hansen, Sharlie Goble, and Judy Fuller.

Receiving honors also were: Connie Corrigan, Kathy Carpenter, Robert Bower, Robin Bloms, Judith Bergh, Harold Armstrong, and Terry Abbott.

Sophomore Class Firmly Established

Mrs. Boe
Class Adviser

The coming of autumn in 1960 found the sophomore class a far more seasoned group, who were just as ready to hand out punishment as they had been destined to receive it in their first year.

At one of the first home rooms sophomores made nominations for their officers. Immediately thereafter these students were elected: Erik Sten, president; Carol Watson, vice-president; Linda Anderson, secretary; and Tony Deskins, yell king.

One of the main activities for the girls of the class was to attend the Big Sister Party where they promptly got acquainted with the many friendly students at O.H.S. The sophomore class expresses many thanks to their advisers, Mrs. Carol Boe and Jack Brandt, for their able assistance throughout the year.

Those students in the sophomore class who attained a 3.00 GPA or better were as follows: Bar-

bara Barlow, Susan Bean, Mark Bowns, Bonnie Branch, Larry Brook, Mary Ann Clark, Kathleen Crowe, Roberta Davis, Leonard Dawson, Steve Dillaway, Donna Downard, Carolyn Ekern, Emmett Eldred, Pauline Engler, Joe Erickson, Jim Fitzgerald, Lana Yount, Sandy Wright, Melody Watson, Jim Watson, Carol Watson, Linda Watkins, Gregg Tinker, Lars Strandberg, and Kathy Stone.

On the honor roll also were: Erik Sten, Jim Smith, Judy Schincke, John Settle, Richard Scriven, Harry Sato, Michaelleen Rotchford, Elizabeth Raffin, Frank Pratt, Bill Peters, Sue Goodyear, Joan Haynes, Joyce Hazelrigg, Cathy Humphres, Michael Kramer, Norman Lamp, Mary Landy, Frank Lindsay, Alexis Lyga, John Lyman, Janet McArthur, Charlene Morrison, Diane Moors, Richard Nichols, Betsy Nielson, Wayne Olsen, and Gary O'Neil.

Class '62 Near Goal

Mr. Brough
Class Adviser

Rising to the coveted position of upperclassmen, the junior class elected as their officers for the year of 1960-61, Marty Pietz, president; Rick Panowicz, vice-president; and Darlene Cooper, secretary. Jim Good was junior class yell king. The class was grateful to Mrs. Mary Elizabeth Kast and Sherman Brough for their able assistance as class advisers.

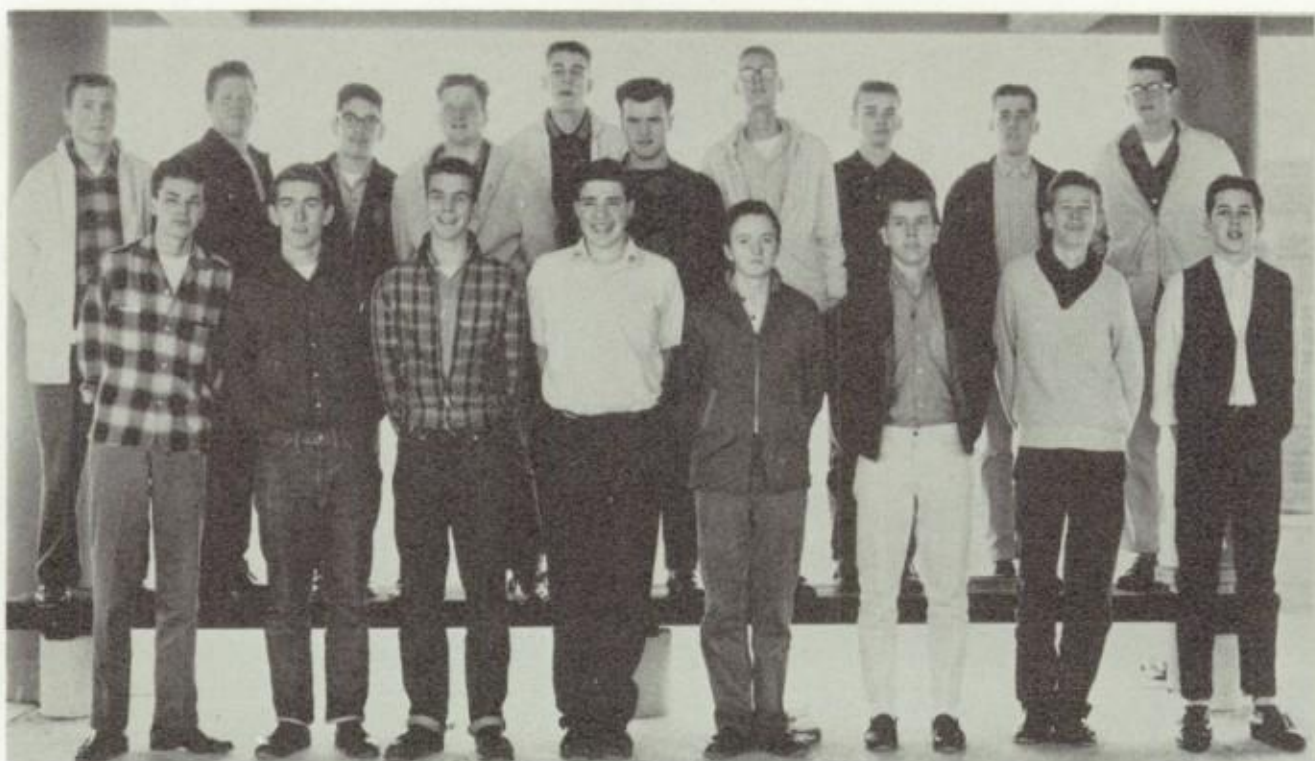

Discarding the cords and sweaters, typical school clothes, and donning suits, topcoats, and formal gowns, the juniors and their guests proceeded to the Junior-Senior Ball, "Les Boulevards de Paris." This dance theme was carried out by the atmosphere of sidewalk cafés with brightly checked tablecloths, and the infamous Parisian gazebo surrounded by the lush green mosses and the sparkling colored waters of the fountains.

"We, the graduating class of 1961, consider ourselves fortunate to have had the opportunity to take advantage of the wonderful educational facilities which have been set before us at Olympia High School. We feel that the knowledge acquired has laid a solid foundation for the various vocational careers we intend to seek.

"From our experiences in high school, we have gained the necessary confidence that will aid us in making adequate progress as we strive for success in our future endeavors in the American way of life.

"Simply because we are graduating seniors, doesn't mean that we have matured overnight. The fact that we have completed one of our first basic goals in life awakens us to the responsibility to be assumed.

"We hope we have been an asset to this school and wish that future classes may benefit by certain traditional standards of which we enjoyed being a part.

"It is an honor to be a member of a class with so many achievements. Scholastically this class must compare favorably with any former gradu-

ating group. Excellence has been maintained in the fields of debate and music. Statewide recognition has been given to both major athletic teams. Interested and enthusiastic class members have played the major role in the promotion of organized social functions.

"The high quality of the educators, leaders, and advisers must receive major credit for the attainment of this class.

"We are honored to be the first group to graduate from this new and imposing facility the Olympia community has provided in the recognition of the vital role of education; although we confess to a twinge of nostalgia at the years of memories built up in the confines of the now-destroyed old school. I know that I express the feelings of all the graduating seniors of the class of '61 when I express our deepest appreciation to all concerned who made it possible for us to receive the educational values gained.

"Departing on our separate ways, let us always remember the unity, knowledge, confidence and friendships which we have acquired here as we go forth to meet the challenge awaiting us."

*O.H.S., our school so dear,
Colors white and blue,
You're the school we dearly love,
To you we'll e'er be true.
Fate may part us,
Years may pass,
Future all unknown;
Still our hearts may ever prove
Faithful to you alone.*

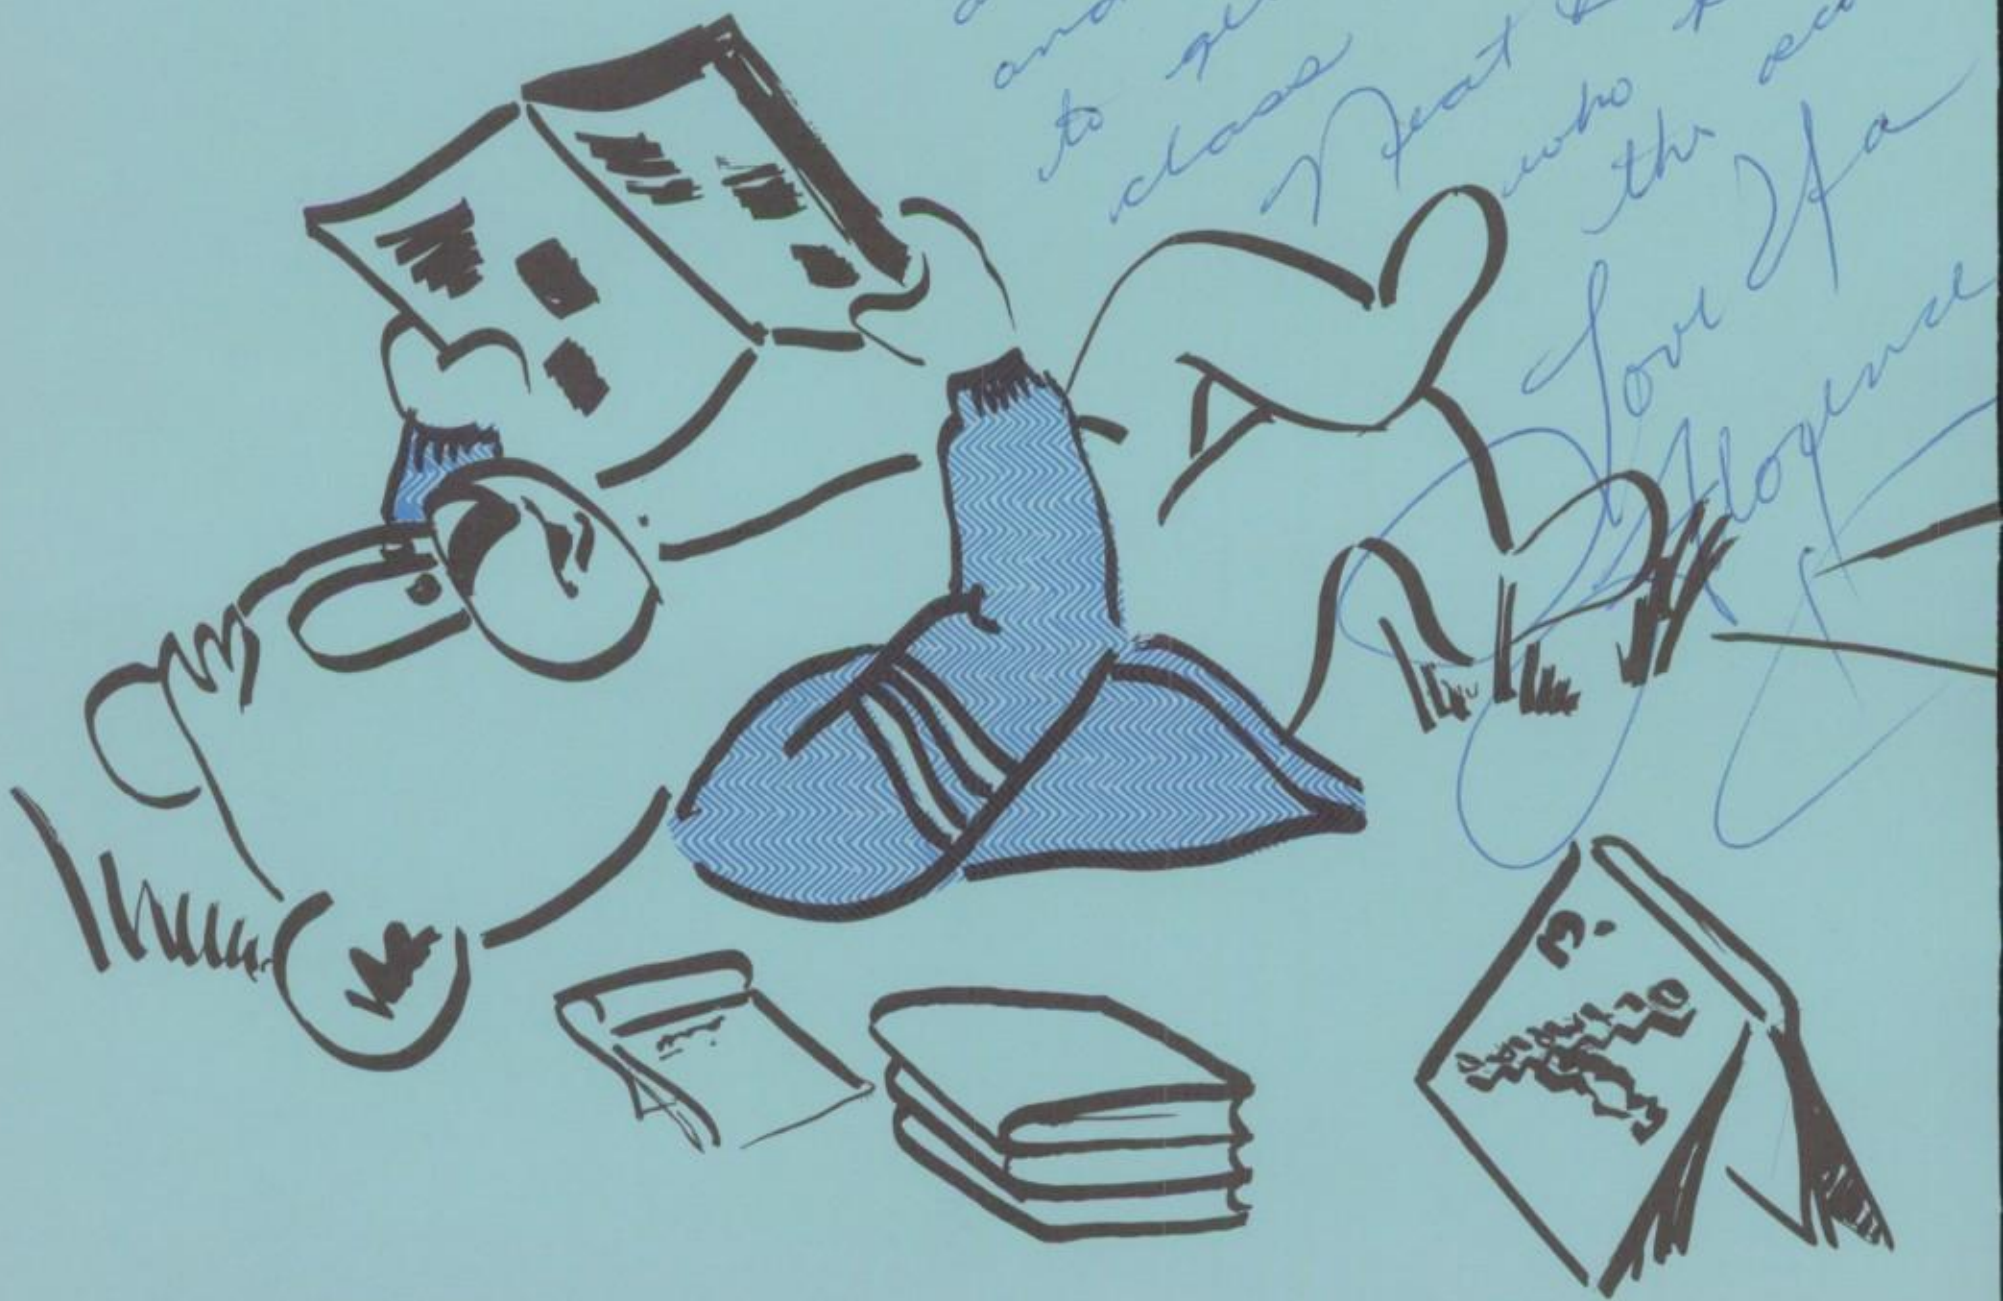

Dear Lynn,
This is going
to be a rush job!
This year has been
a hell - we've had lots
of fun together - wrecking
cars, etc! Give really enjoyed
our friendship - although we've
had some fine arguments, I've
always been so bad, I'd just as
soon forget. I really think you'll
a good kid (how impersonal!) and I love
ya loads! Have lots of fun in Sun
Valley and write me often

Love ya,
Sandie

Hi Lynn
 we'll only
 a few more days
 left of school. I hope
 you see this summer. I
 best stay as luck to you. And
 just stay as nice as you are. OK.
 Lots of luck
 Bonnie

Hi there
Lyn
Well, its sure
been a blast in short hand
this year even tho ole sour-
face Colvin didn't appreciate
us. I hope I get in your
class next year. You're a real
sweet girl and deserve the best
of luck in the future.
Have fun with all the
boys this summer
Lots of love
Lucy

Dear Lynn,
really a pleasure
knowing you all
the years we have
since we were back when
I can remember good times
we were back at Garfield,
just as they drifted over
friendship. I sincerely hope we'll always
be friends with each other.
Lots of love and happiness
always and ever - your
has to appear to anyone. and Lynn,
stay as sweet as you
are - always - I really
mean it.

Always,
Judy
